

Discover How Strategic Mentoring Can Achieve Your Organisational Goals

Kickstart Strategy Session

“The workshop provided me with a **business case that was signed off within **3 months**, these types of programs typically don’t get off the ground in less than 1 year.”**

Workshop participant

FREE 60-90 min workshop valued at \$2,500 +GST

What you’ll receive

- Insights on how to design a best practice mentoring program to achieve your objectives.
- Recommended mentoring roadmap specific to your organisation.
- A detailed report covering four key areas - program purpose, best practice customisation, success measures, risks and investment.
- Supporting information for your business case to secure internal buy-in including anticipated return on investment.
- A deeper, shared understanding of the benefits of strategic mentoring.

Five FREE workshops available in June for eligible organisations

Are you eligible?

- 1,000+ employees or 2,000+ association members
- Genuine interest in implementing a mentoring program for your organisation
- Key internal stakeholders and decision makers required to attend
- The Ripple Effect resource to be read by all attendees prior to commencement.

How is the workshop conducted?

Webinar or in-person options available. If in-person, Kickstart Strategy Session fee will be covered by Art of Mentoring. Travel and incidental costs to be covered by participant.
